

## REMARKS

Claims 1 and 5-11 were pending. Claim 1 is amended. Claims 9-11 are cancelled. Claims 1 and 5-8 are pending.

### **Claim 1 Amendment**

Claim 1 is amended to include the limitations of claim 10.

No new matter has been added.

In the Final Rejection of March 31, 2010, the Examiner noted that claim 10 was objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicants have amended claim 1, to include the limitations of claim 10.

Applicants reserve the right to file a continuation to recapture broader scope given up during prosecution of the present application.

Since there are no other grounds of objection or rejection, passage of this application to issue with claims 1, 5-8 is earnestly solicited.

Applicants submit that the present application is in condition for allowance. In the event that minor amendments will further prosecution, Applicants request that the examiner contact the undersigned representative.

Respectfully submitted,
